

**IN THE SPECIFICATION:**

Please replace the paragraph on page 11, lines 4-13, with the following paragraph:

With reference now to **Figure 3**, a block diagram illustrating a data processing system is depicted in which the present invention may be implemented. Data processing system 300 is an example of a client computer. Client 300 may include appropriate programs for viewing e-books or other electronic documents. Client 300 also includes the processes of the present invention for viewing an e-book, highlighting or otherwise selecting a portion of text, send the text to a search engine for searching, receive the results, and present them to the user. For example, selecting a portion of text may be performed by tagging (such as clicking with a mouse) a beginning point and an ending point of any portion of text in the electronic book that is of interest to a user. This method of selecting text is well known in the art.
